**Move:** To establish a committee of members to begin planning a convention for March 2023. The committee will report to the SC with a proposal for a date, time, and location, as well as for a budget for costs associated with the convention. The committee is authorized to expand its membership, from the pool of current members of the State Party.

Scott Gray

*Note: If this motion passes, I will make a separate motion for initial membership of the committee. I expect as many people as are interested to join, and to welcome additional members (thus the last sentence of my motion). I expect the committee to elect its own chairperson, and that their chairperson will be primarily responsible for coordinating the coming convention, including making reports to the State Committee on the process of organizing a convention; the person who can be thanked or blamed.*
